<td>Welcome &amp; Call to Order</td>
<td>Michael Asseff, First Vice Chair, called the meeting to order at 3:10 p.m. He asked for a moment of silence on behalf of the victims and families, and our community, affected by shooting tragedy that occurred at Marjory Stoneman Douglass High School in Parkland on February 14th. Roll call was conducted and a quorum was established at 3:15 p.m.</td>

| Renee Jaffe, CEO, welcomed new Board Member and Provider Representative Natalie Williams. Natalie will be providing regular updates to the Board regarding important and emerging issues for the child care provider network.  

Renee also discussed conversations that have occurred with providers regarding emergency preparedness, especially in light of the shooting tragedy last month in Parkland. FEMA has developed a training module for child care providers and there is also interest in strategies to provide emotional support to provider staff in times of crisis. There will be more discussion at the March PLAN meeting.  

The County has approved an increased allocation of $112,000 to cover current over-utilization of funding for child care for children with special needs. Although this sustains services to current participants, there will be another opportunity to request additional funding to address the wait list for child care services for children with special needs during the County's budget-setting process.  

Re-directed matching funds to the ELC have been approved by the City of Sunrise.  

Ellie Schrot shared her excitement that ELC will be hiring three additional Inclusion Specialists to expand supports for providers caring for children with challenging behaviors. A new ASQ Trainer position will also help increase early identification of young children in need of additional developmental assessments. |

There were two corrections to the Minutes of February 1st: Deborah Meidinger Hosey clarified that the Safe Sleep initiative will provide play yards and cribs to Family Care Homes. Board Member Silvia Beebe was present at the meeting. The minutes have been corrected.

**A Motion to Approve** the February 1st Minutes, as corrected, and the Purchase Over $25,000 was made by Michael Asseff, and **unanimously approved**.

The CEO Performance Evaluation Tool was pulled from Consent for discussion by Richard Campillo and Twan Russell. Clarification of the goals and point values were provided and it was noted that these goals apply retroactively to the period of January 2017 through June 2018. The CEO will provide a self-evaluation to the Board for reference during the 2017/18 evaluation process. New goals for FY 2018/19 will be developed as part of the Strategic Planning process, which is currently underway.

**A Motion to Approve** the CEO Performance Evaluation Tool was made by Renee Podolsky, **seconded by** Richard Campillo and **unanimously approved**.

| Authorize Continued CEO Lease Negotiations and Signed Letter of Intent for New Space; Authorize CEO to Lease Swing Space |

There was robust discussion regarding the need for new space, negotiations with a potential new landlord and related non-binding Letter of Intent, and current and future swing space.

**A Motion** was made by Cindy Arenberg Seltzer to authorize the CEO to sign a non-binding Letter of Intent to move forward with negotiations at the Crowne Center. **The Motion was seconded by Monica King** and opened for discussion.

Staff clarified that relocation options have been in process for many months and that many alternative locations have been provided and evaluated for viability and cost. While there was consensus that new space should be negotiated, concerns were raised regarding moving costs, length of lease term, termination options/language and annual escalation rates. Staff will revise the scope of the search and bring back a list/comparison of properties previously and currently reviewed with market cost comparisons. There was Board consensus that other space options should also be pursued and considered.

**Cindy Arenberg Seltzer withdrew** her Motion. **A Motion** to Authorize the CEO to sign a Non-Binding Letter of Intent and continue negotiations at Crowne Plaza was made by Nicholas Kaniaris, **seconded by** Khalil Zeinieh and **passed** with Cindy Arenberg Seltzer dissenting.
A **Motion to Authorize** the CEO to enter into a month-to-month lease for swing space, as necessary, was made by Mason Jackson. The **Motion was seconded** by Monica King and **unanimously approved**.
