**Interim Financial Statements**

Christine Klima, CAO, reviewed the July 2017 Interim Financial Statements. Discussion followed regarding timing of invoice submissions and monthly close-out. The possibility of obtaining a line of credit to support future in-house service operations was also discussed.

**Utilization Review**

Christine Klima, CAO, reviewed School Readiness utilization for FY 2016/17. Discussion followed regarding attrition rates at re-determination and the impact on the ability to enroll additional children as slots become available throughout the year. CEO Renee Jaffe advised that school and center closures resulting from Hurricane Irma will not significantly impact utilization because OEL allows for payment for many of the closure days. Additionally, some centers were able to expand child care services from after-school to full day operations during the week that all Broward Public Schools were closed, which is allowable and encouraged where possible.

**FYI Cash Disbursements $1,000-$25,000**

Cash Disbursements $1,000-$25,000 were reviewed. It was noted that the Audit Firm has suggested a delay in conducting the annual audit so as not to disrupt the transition of eligibility and payment services on October 1st. This will be shared with the Board when dates are confirmed.
