¹Notes and General Information:

- Tuition, book and fee prices are approximated and subject to change. Prices are set by the individual schools, not by T.E.A.C.H. It is your responsibility to call the school to verify costs, start dates and if the class is a hybrid class requiring some classroom attendance.
- Florida Staff Credential scholarships cover tuition and books for the DCF-approved Florida Child Care Professional Credential (FCCPC), the DOE-approved Early Childhood Professional Certificate (ECPC), the Formal Education Qualification, Child Care Apprenticeship Certificate (CCAC), the School Age Florida Child Care Professional Credential and the School-Age Professional Certificate (SAPC). The National CDA Assessment Fee of \$425 is included in the T.E.A.C.H. Staff Credential scholarship for programs leading to an FCCPC or an ECPC.
- Generally**, a renewal class can be **any** early childhood education class that the student has not taken before. The Director Credential class cannot be used both to renew a Staff Credential **and** to get a Director Credential unless the participant is applying for a Formal Education Qualification (FEQ).
- Applicants wishing to renew a Florida Staff Credential **and** a Director Credential must take a separate class for each renewal and submit separate scholarship applications.
- Florida Credentials** (Staff Credential and Director Credential) **do not expire**. These credentials go inactive and can be reactivated by taking a course for 3 college credits or for 4.5 CEUs. See page 4 of the DCF Staff Credential/Renewal application (<http://ccrain.fl-dcf.org/documents/6/467.pdf#page=1>) or page 5 of the DCF Director Credential/Renewal application (<http://ccrain.fl-dcf.org/documents/6/468.pdf#page=1>) for other ways to renew.
- The Council for Professional Recognition National CDA Credential fee increased to \$425 effective 9/1/13. The Council Renewal fee also increased to \$75 for electronic renewal and \$100 for paper renewal.
