<tr>
<td></td>
<td>School readiness slots are on high enrollment.</td>
</tr>
<tr>
<td></td>
<td>We anticipate that new enrollments will overcome most of this as high numbers of newly enrolled children continue to come online as the waitlist clears. Staff currently project a year end surplus of approximately $2 million, or 2.5% of the total School Readiness eligibility pool. We have some proposal out on how to take up projected $2 million surplus.</td>
</tr>
<tr>
<td></td>
<td>First choice for the extra $2 million is to try and apply an additional rate increase, to be addressed later in packet. If that doesn’t work out, then we do something similar to last year and provide grants to providers in the 4th quarter.</td>

### b. FIN224RB2 Approve FY 2022 Budget Amendment #4

Reason for $2 million surplus is because of decline in referrals for mandated care from Child Net and CareerSource.

Acting Chair, Khalil Zeinieh, asked if ChildNet keeps track of numbers in their care? It would make sense if there was marked decline of the number of young people in their care. Howard replied that there is a decline.

Khalil suggested that it might be helpful to have a chart from ChildNet and CareerSource of their enrollments during this time. They should look similar in terms of the decline.

CEO said that is something we have discussed and are looking into reaching out to all of our referral’s agency to get an idea of whether our decline matches theirs.

There was a **Motion** to Approve the December 2021 Interim Financial Statements, Pending Approval of an Annual Audit Performed by a Qualified Independent Certified Public Accountant by Dawn Liberta and **Seconded** by Renee Podolsky. **Unanimously approved. Motion Passes.**

There was a **Motion** to Approve FY2022 Budget Amendment #4 by Dawn Liberta and **Seconded** by Zachary Talbot. **Unanimously approved. Motion Passes.**
