

Celebration of the Hands

April 5 - 9, 2021

Artwork Instructions

Tens of thousands of pieces of hand artwork decorated by young children, teachers, and families, are hung throughout the Capitol Rotunda each year during Children's Week Florida™. This stunning visual display serves as a reminder to representatives, senators, advocates, and visitors that Florida's children are impacted by policy decisions made by the legislature.

We invite you to join in and help continue this annual tradition. You can decorate hands with colorful artwork, words, stories, and/or pictures. We encourage you to be creative!

Please follow the artwork instructions below so your masterpieces can be included in our Celebration of the Hands.

- Hand artwork must be strung together and secured prior to mailing. Please do not send individual hands.
- Staple and secure artwork vertically onto string or ribbon.
- String or ribbon must be in lengths of eight to ten feet.
- You may also use the hands to create small posters that should be no larger than 11x14.

Please drop all art work to the Early Learning Coalition of Broward County by **March 12, 2021** so all Broward can be sent together.

Early Learning Coalition of Broward County
1475 W Cypress Creek Road
Suite 301
Fort Lauderdale, FL 33309
