C. About the Early Learning Coalition of Broward County, Inc.

The COALITION is a not-for-profit 501(c) (3) organization established in 2000, pursuant to the School Readiness Act of 1999 and Florida Statutes Section 411.01. The COALITON is designated by the State of Florida's Division of Early Learning as administrator of all publicly-funded early child care and education programs in Broward County. For over twenty years, COALITION Broward has been responsible for quality early care and education services for our children. We are accountable for helping families find local child care and developing plans to address Broward County's early learning needs.

Our Mission is to lead and support the early learning community to deliver high quality early learning experiences to young children and their families. Our Vision is that all children have high quality early learning experiences leading to success in school and life. We strive to accomplish this by providing resources, advocacy, leadership, coordination and oversight for our child care and early education industry. We promote quality in all child care programs by incentivizing performance standards through coaching, training, and business development.

The COALITION administers the School Readiness (SR) program in order to prepare young children to successfully transition to school and also help close the achievement gap for low-income families. The SR program provides subsidized child care for children from eligible economically disadvantaged families, primarily focusing on children from birth to school age (zero to five) as well as after school care for school age children and those involved in foster care or the child welfare system. The SR program also provides a wide variety of training and quality support services to over 750 child care providers operating in the County. In addition to SR, the COALITION administers access to Florida's Voluntary Pre-Kindergarten (VPK) education programs in Broward County, which are free for ALL children residing in Florida at age 4

regardless of income.

The COALITION also provides Child Care Resource and Referral services (CCR&R) to all Broward families, regardless of income, to help them identify and select the best child care and early education options to fit their needs such as special education services, specific hours of operation, or location near a parent's work or school. This wide range of agency activities services over 30,000 children each year while allowing their families to remain employed and/or in school and channels more than \$175 million into the economy of Broward County annually. The COALITION's programs provide an invaluable benefit not just to the children and families served but also to child care employees, early educators, small and medium sized businesses, and the communities and municipalities they live in.

The COALITION will electronically post a Notice of Intended Award at the COALITION's website following the COALITION Board's selection of the Successful Vendor. Section II: Terms, Conditions and other Requirements

A. Vendor Award and Agreement

Florida State Term Vendor Agreement and Terms of ELC Purchase Order: A purchase order will be finalized after the award for any work to be performed as a result of this RFQ. The RFQ, the Proposal, and the resulting purchasing order will constitute the complete Agreement between Vendor and ELC. The expected purchase order term is five (5) subject to ELC approval. The commencement of the term or the term itself may be extended or reduced depending on the needs of the ELC. The Vendor understands and agrees that the terms and conditions of the Florida State Term Contract shall be applicable to the purchase order and if there is a conflict between the Florida State Term Contract and the Purchase Order, the Florida State Term Contract shall control.

Breach of RFQ and Cancellation of Award: In the event any of the provisions of the RFQ are violated by the successful Vendor during the RFQ process or subsequent to award, but prior to execution of a contract between the ELC and the successful Vendor, the CEO, or their designee may give written notice to the successful Vendor stating the deficiencies if such deficiencies are capable of being corrected pursuant to the terms and conditions of the RFQ. Unless the deficiencies are corrected within ten (10) days, a recommendation will be made to the Coalition for immediate cancellation of the award of the RFQ. Upon cancellation of the award of the RFQ, ELC may pursue any and all legal remedies as provided herein and by law.

Notwithstanding the foregoing, ELC reserves the right to terminate the award of the RFQ or reject a proposal without cause at any time (including but not limited to subsequent to the execution of any contract arising from the award of the RFP with the successful Vendor) with written notice to the successful or offending Vendor, whichever is applicable, if said Vendor has violated the terms and conditions of the RFQ. If said contract should be terminated without cause, ELC will be relieved of all obligations under said contract. ELC will only be required to pay to the Vendor that amount of the contract scope of work actually performed to the date of termination.

The successful Vendor will have the option to terminate the award of the RFQ without cause, upon 15 days' prior written notice to the CEO. Cancellation of the award of the RFQ by the successful Vendor may result in removal from bidders/vendors list for a period of three years.

B. Addenda

The ELC has the absolute right to cancel, amend, modify, supplement or clarify this RFQ at any time in its sole discretion. If any revisions become necessary or appropriate, as determined in the sole discretion of the ELC, the ELC will post the same on its website. Any addendum issued by the ELC will include a receipt acknowledgment, which must be executed and submitted to the ELC along with the Proposal on the date sealed Proposals are due to the ELC. All Vendors should contact the ELC's contact person for this solicitation as set forth in Section I. J (Public Information) of this RFQ, in addition, to reviewing the website, before the RFQ deadline to ascertain whether any addenda have been issued. Failure to do so could result in a determination that the Proposal is non-responsive.

C. Acceptance/Rejection of Proposals and Waiver of Irregularities

The COALITION reserves the right, at its sole discretion to reject any and all Proposals, and/or to re-advertise, to waive any minor defects, irregularities, informalities, or technicalities therein, to negotiate contract terms with the Successful Vendor, to disregard minor non-conforming or non-responsive parts of a Proposal, or to accept any Proposal which, in the COALITION's sole judgment will best serve its interests and the interests of the children and families of Broward County.

The COALITION may supplement, amend, modify and/or expand the solicitation requirements, request a clarification or other information, accept Quotes from one or more Vendors, in whole or in part, award only a portion of this solicitation, and award this solicitation to more than one Vendor. The COALITION reserves the right to award more than one Agreement for any area, combining the offering, or parts thereof, of one or more Vendors. In consideration of the COALITION's evaluation of submitted proposals, the Vendor, by submitting its Proposal, expressly waives any claim to damages, of any kind whatsoever, in the event the COALITION exercises its rights provided for in this RFQ.

D. Tax Exemptions

COALITION is exempt from federal and state taxes for tangible personal property, sales taxes, and intangible taxes. The Vendor shall ensure that it, and all of its contractors and subcontractors of any tier, shall be properly licensed and certified continuously throughout the duration of all work performed and services provided in accordance with the resulting contract. All such licensing and certification shall be at the sole cost of each contractor and subcontractor. I. Default

In the event that the Vendor should breach the RFQ or the resulting Agreement upon any award to a successful Vendor, whichever is applicable, such breach shall be considered a default thereunder and the COALITION reserves the right to seek remedies in law and/or in equity. Default will also result in removal from the applicable federal, state, and local bidders/respondents list for a period of three (3) years.

J. Public Records, Trade Secret and Confidential Materials

Article 1, Section 24 of the Florida Constitution and Chapter 119, Fla. Stat., guarantees every person access to all public records. All information contained within each Proposal submitted to the COALITION pursuant to this RFQ is part of the public domain, consistent with Chapter, 119, Florida Statutes. The Vendor must invoke the exemptions to disclosure provided by law in their Proposals, by providing the specific statutory authority for the claimed exemption, identifying the data or other materials to be protected, and state the reason, in writing, why the exclusion from public disclosure is necessary. All Proposals will be open for public inspection in accordance with Chapter 119, Florida Statutes, except for any information that qualifies as exempt information under Florida Statutes, and which has been identified by the Vendor. The

Any prospective Vendor acknowledges, however, that the protection afforded by Section 815.04, Florida Statutes, is incomplete, and it is hereby agreed by the Vendor and the COALITION that no right or remedy for damages arises from any disclosure. Vendor agrees that no right or remedy shall be had against the COALITION that arises from any disclosure made by COALITION herein, in good faith, pursuant to Chapter 119, Florida Statutes. However, if a contract is awarded as a result of the RFQ, the COALITION shall have the right to use or disclose the information designated as trade secrets or confidential to the extent provided in the contract or law, whichever is applicable. This restriction does not limit the COALITION's right to use or disclose the information designated as trade secrets or confidential which is obtained from another source.

Any exemption claimed will be limited to the pertinent data/documents and must be supported by a state or federal statutory exemption. Notwithstanding anything to the contrary, nothing contained in the proposal shall be deemed or interpreted to restrict or prevent the COALITION from complying with the disclosure requirements of Chapter 119, Florida Statutes, when material is incorrectly identified or does not statutorily qualify as a trade secret or confidential information. By submitting a Proposal, the Vendor covenants not to sue the COALITION and waives any claim against the COALITION arising under Chapter 119, Florida Statutes or in connection with or as a result of any disclosures by the COALITION in connection herewith.

If, in the sole determination of the COALITION, that a dispute may result in a delay or interruption of services to clients or operations of the COALITION, it reserves the right to contract with a contractor of choice on an interim basis to ensure the delivery of service or continuance of operations until the protest dispute is resolved.
